8th European Alcohol Policy Conference (8EAPC)

National Development Fund and Challenge Fund

National Development Fund: This fund provides opportunities for joint approaches at both a national and local level in projects of national significance. The application form to apply along with the requirements and guidance notes for this fund are available online [Here](#)

The Challenge Fund: The funding through the Challenge Fund will provide space to re-think the system (or parts of the system), test change and implement new ways of working. The aim is to help break down barriers for people when accessing services or getting the right support, and as a result achieve better and more sustainable positive changes in people's lives. For information and how to apply contact Rowan Anderson on 0131 444 4020 or rowan@corra.scot.

Highland Licensing Policy Statement Agreed

A special meeting of the Highland Licensing Board took place on the 24 September in Inverness to agree the terms of the Board's Licensing Policy Statement for 2018-2023. For more information [Click Here](#)

Highland Substance Awareness Toolkit banner

The Substance Awareness Toolkit banner is now available to book for events. For more information or to book out the banner please visit the HPAC website.

Impact of Minimum Unit Pricing (MUP) in Highland (Q2 Return)

MUP was introduced 1st May 2018 and it is likely to be a challenging adjustment for some people. Evidence from other countries suggests that the impact will be short term but nevertheless the Highland Alcohol and Drug Partnership is keen to understand the level of impact locally and to be able to contribute to the national picture.
